“ I will miss the conversations we had about Game of Thrones, current events, the weather, and the joys of home ownership. Richard was a wonderful man who bright spirit and compassion for others shown through in his every word and action. Those who knew him well, lived with him, or cared for him all feel his absence everyday. I am truly sorry for his families loss, our world needs more great men like Richard. Thank you for allowing me to be a part of his life. It was an honor to know him.
