“ *Melissa & Tyler,  
It was my honor to have Rick as a freind.We shared some great times at the river. My fondest memory will always be the fly-in trip to Canada with Rick, his dad, Lorrie and myself. I could hear his laugh all over the lake.  
I hope you will remember the fun times you all shared and times that he just made you laugh. Those memories will get you thru this. You both have good freinds whom you can lean on also.  
I am sure Rick is with his dad on a lake with endless fish with no limit waiting to cook up a great shore lunch.  
My prayers and thoughts are with you.
