JH

“ We met Rita at the Topsy Steer in Blaine. She quickly became our favorite wait person. She took special care of us. Once when a man was sitting at the table we always sat at, Rita made him move. At the time we didn't know it was the owner of the Topsy Steer. We always laughed about that. We shared stories of our grandchildren and children. We were politically aligned and shared those ideas with each other. She took extra special care of us during the dark days of the pandemic! We ordered curbside every week for months. Rita always brought our order out to us. She would stand in the cold and ask how we were doing. She was a delight! We recently went into the restaurant to have lunch and the 1st thing we did was look for our Rita. We then learned she was having some health issues and we were looking forward to seeing her when she was able to return to work. Sadly this afternoon we learned of her passing. She was way more than a server at a restaurant we considered her a friend and looked forward to her hugs when we came in. She was a great hugger! We will miss you deeply Rita. There no replacement for you. RIP
