“ I moved to MN in 1992 with my children. We had no family here. The Rodriguez Family quickly befriended us. They would invite us over for dinner, family gatherings and Christmas Eve. It felt like home. I have the fondest memories of Rita, her laugh was contagious and filled up the room. I will miss her deeply. My deepest sympathy to all who knew her and loved her.

“ *Rita was a hardworking woman who loved to travel with friends and family. She enjoyed warm weather and spending time by her pool with the grandchildren she loved dearly. Your contagious laugh will never be forgotten. I only knew you as a strong woman and will forever be one in my fondest memories of you.*
