“ For the last several years Rob has volunteered at the Bountiful Basket Food Shelf in Chaska, helping to pick up food donations from the local stores as well as helping with large food drives from local churches as well as helping with the yearly postal food drive and with deliveries from 2nd Harvest and from The Food Group. Rob was a pleasant and positive volunteer, and more than willing to help out with special projects. He will be especially missed by his co-volunteers and by all of us at the food shelf. We send our condolences and sympathies to his family and friends. As much as we will miss Rob we know that his family will miss him so much more.
