“ I was sorry to hear about Bob's death. I have many fond childhood memories of our times on Big Pine, catching snapping turtles for your Dad to butcher, Cub Scouts and selling frogs to Frank's Sport Shop. Bob was a great friend as we grew up in Perham.

*My thoughts are with you.*

“ Bob was best-man at my wedding in '68, and for a while he was my boss. Great memories. I wish we had lived in closer proximity over the years since that time. I am sure we would have enjoyed a long friendship. Bob always impressed me as a bright and good man.

“ Steve I just read the sad news of your brother Bob passing away. Condolences from all of us in the Walz family Mark Pam Tim Brian. I remember Bob best from my days as an altar boy at St. Stans. Bob being older than me helped me become a better altar boy showing me the ropes. I also remember my high school mornings walking with the other Northsiders to school with Denny Davidson, Jim Honer ,Donnie Weikert and Bob. Losing a brother is a very sad experience be thankful for the life he lived and the good times on the North Side. Mark Walz

I am so sorry to hear about Bob. I grew up across the street from Bob and Steve. Bob was a good guy with a great smile whenever I saw him. Steve, my thoughts and prayers are with you.

I was so sorry to hear about Bob's passing. He was a fellow classmate and someone I had called a friend for many years. My prayers are with his family.
