“ *To Bob's family:
My deepest empathy and sincere condolences in your loss.*

Steve and David, we will always have great memories of deer hunting at Cusson Camp. Your Dad, as "Chief" procurer of food, cook and cabin organizer kept us well fed and ready for the next adventure; be it in the field or at the card table. So very many great memories and moments occupy my mind in remembrance of him. I am pleased to have known him; and you two as well.
