“ *Bob was a great brother-in-law. He always welcomed us into his home and made us feel loved no matter how long we stayed. He was a serious card player & sometimes I would get so perturbed with him 'cause he kept on bidding when I wanted the bid. He was so generous in letting us take his Buick when I came to town - even let us drive up North.
He will be missed. I know he a Harold used to love to fish together. Maybe they are back at it in Heaven!!*

“ *Every Wednesday night our church had family dinners in the old fellowship hall and Bob was in charge of taking the money. He just adored my son Ethan now 24, Ethan would sit on Bob's lap and help him take the money! Two blond haired blue eyed Minnesotans. I can still see that picture in my mind. Bob loved our family into the kingdom, we will miss you Bob!*

“ *Watermelon - everytime I purchase one I will remember Uncle Bob telling me the story of how, when he was young, would go house to house selling them. In the last few years when I traveled to Minnesota with my mother we would stay with Uncle Bob and Aunt Dorine, he shared many interesting childhood stories, let me use the Buick to shop at the Mall of America, spent many late nights playing cards and having a bowl of ice cream with a cookie/bar. I will miss him on my visits but I know he is now pain free in a better place with his heavenly father, family, friends and my Daddy. Uncle Bob will always hold a special spot in my heart. Love ya Uncle Bob from your niece Barb.*
