“Ruth, Nate, Peggy and Becky, You were all great neighbors and friends. Bob usually had some profound subject to talk about. We always enjoyed visiting with him. There were so many good times and do wonder where you are and what everyone is doing. We would be at the service but we are in NYC babysitting with Heather's two girls. We are so sorry for your loss of husband and father. One of the best. Sara and Nick Modders

“ *Ruth, Nate, Peggy and Becky, What a wonderful picture of Bob! I do so wish I could be there for you on Friday and Saturday - but know my prayers are with you all. I could write a book (and will do so later) of all the fond memories I have being your next door neighbor for all those years in Prior Lake. Bless you and keep the faith! Love, Zoe*
