“ My deepest condolences to the entire Kendall family. I absolutely loved Bob and the way he encouraged me in my early days of ministry at Grace Point (Salem). In addition, Bob included me in with all of the older guys in the church. Bob brought me with him on several overnight golf outings with the guys. He also showed me how to "cheat" at golf without anyone knowing it! I loved his infectious humor and energy toward life. We will miss him, for only but a day, because Jesus will reunite us together soon. Until then, I will grieve, but with hope. Praying for all of you!
