“ Dear Bobby & Family: Although I don't know you I do know how extremely proud your Dad was of you. Every time he spoke about you (alot) he lit up with pride. Since I have a German Shepherd he would be quick to give me training tips and great stories of Gunner & Sadie. May good memories bring you comfort during this most difficult time.

“ As we go through life we meet people. We learn more about life, from them and maybe they learn from us. We worked together for many years. Bob always had something positive to point out on any situation. My eyes were opened to many wonderful and useful things thanks to Bob. He will be Remembered and Missed by me. I am sorry for your loss of a wonderful man.

“ Bob, I always wanted to get back over and see you to visit to talk as we did in the old days in the ARMY together. I have your name and number on my desk, but one day late am I. I will truly miss you, you are and will always be a true friend, a friend who never left one when the mission needed to be finished. A friend who one could always turn to for an honest opinion or to set me straight when I would migrate at times. Bob I salute you again, my friend, remember the medal I gave you, remember all the things that we talked about. God Bless you Bob and all, as I will remember you always in my prayers and in my heart. Thank you for all.

“ Dear Patty, Jimmy, and Bobby's family: I can't tell you how saddened I am to hear of Bobby's passing. Sad that we never took the opportunity to get to know one another beyond our childhoods. But joyfully I recall the blessing of our getting together not too long ago to celebrate Uncle Art's life. The Bible, in 1 Corinthians 1:3-6, tells that God is the God of all Comfort. I pray that God will provide you His Comfort and draw you nearer to Him during this time. Jesus said, in Matthew 11:28, "Come to Me, all you who are weary and heavy laden and I will give you rest." Your Cousin, Gary Lowy

“ Truly saddened to hear of Bob's passing. He was a co-worker for many years and always had a joke or humorous story to tell, brightening even the worst of days; from acerbic to impish -- and a mind for organization like a filing cabinet. He will not be forgotten. Deepest sympathies.
