“ It is with great sympathy that I offer our condolences from the Gene Engel family (Randy, Kathy, Jeff, Pam & Dave). We have fond memories of your father coming to visit in town and meeting our father, Eugene, for breakfast and a ride in the countryside afterwards. They would reminisce about their youth as cousins playing and all the fun they had together. We are keeping you and your family in our thoughts and prayers.

“ Bob was truly someone special. He was a mentor to me when I worked at Honeywell, patient and caring. I can't remember him ever without a smile, and he always had interesting facts to share. I'll miss you Bob. Rest in peace.

“ Bob was my first partner when I joined Honeywell, writing computer programs for my messy equations for mirrors. We worked on many projects together. He often walked by my house when he lived at Summerhouse of Shoreview, and we had a long, fun talk a couple of years ago at his place. I really liked him.
