“ I just heard about Bob's passing. My condolences to his family. Bob was always good to me and treated me like a little brother. He shared jokes and talked to me like I was a reasonably intelligent kid as I grew up. He and my brother Greg taught me to shoot and work on cars. My favorite memories are from the many times he'd stop by my mother's house on his own, sit at mom's kitchen table and talk with her. She loved that. Sometimes Greg was present as were Mike Pratt, John "Pea" Brown and others of "Greg's Gang". I sometimes was lucky enough to sit too although I mainly listened. I learned a lot and Bob helped me grow up. -Donald LeBaron

“ My condolences to Carol, Ryan, and Hillary.

I was lucky enough to sit at that kitchen table with Bob and Greg. Bob was a great guy and a good friend for 60+ years.

I will always remember Bob.

“ I have many fond memories of hunting with Bob at the Hole In The Sky Club, as well as our hunting trips to North Dakota, one of Bob's stories at the landing after we all came to shore to go to breakfast was of Bob looking out of the blind at a duck sitting on top of his prized cork decoy, mulling over whether or not to take a shot, he did, missed the duck but got the decoy with a perfect shot!
