“ I was lucky enough to see Bob a handful of times the last decade or so. Was always nice to see him and a pleasure to talk to. Always a really wonderful person every time we met. So very sorry for his loss, my sincerest condolences to all his family.

“ What to say.? No words can erase your pain Shari and family. I really only was with bob a few times BUT I immediately thought what a great,lovable guy Shari married. We had laughs,and shared a little of our lives. He has forever left me with a smile when I think of bob. I'm sure he was not a saint (as sometimes when a person passes they become one lol) but I knew enough that he helped his family and friends when asked and he was one of the good ones. Shari and kids you always have a place in Arizona, I'm sending hugs to all of you, barb wurzbach
