“ This is in love in memory of Robert Grigsby. Our hearts are heavy from the lost of a great man great bother and a great son. One that told a great joke shot it from the hip and held no punches, and in doing that was always being honest weather u liked it or not. In my several year of knowing rob. He always cared. His main concern was family. Mike, Momma Angie, and his kids. Very bright man that will live 4ever in my heart. I love the fact that rob was the life of a party when he wanted to be or real chill. That's called being able to adapt to your surroundings and no 1 one is or will be able to top him in that. So with that being said. Let's remember the great things and lession he taught us all. And let him live thur us that way the lession won't be envain. Love and hornor family and life. Love u Rob. Yours trully Aaron Douglas.
