“ Continue laughing up above, something nobody will forget, is that laugh, that made everyone smile. My kids (well now adults) will always remember you as Uncle Bob, "the mall cop" 😊 They loved trying to find you everytime we were there, well and so did I! You were always good about asking how my kids were and talked about riding Harleys, just as we did last in April. Rest and ride free, until we meet again.

“ Bob (AKA “Habes”) trained me in at the mall. Bob knew EVERYONE that worked at the mall and always took time the time to talk with people and ask them about specific things in their lives. I was remember being amazed that someone could know so many things about so many people. Bob was truly part of the generation of ‘community policing’. We shared some good laughs together. Rest in peace “Partner”.
