“ I was so sorry to hear of Bobby's passing. He was a school chum for years. Sometimes Bobby would wait for me to pass his house as I walked to school, and we would walk the rest of the way together. Please accept my deepest condolences for your family's loss.

“ I remember Bob, every time I used to walk by his house in New Brighton, he`d say HI, or how are you? He live just up the block from me and he always had that welcoming smile as he greeted you.

To say that we lost a Great Guy, and or Friend, is an understatement.

We will miss you Bobby ( sorry, I called him Bobby. ).

My deepest condolences to Bob`s Family and friends.

“ I remember Bob as a treasured classmate who had a fantastic sense of humor. When he joked with me for having a Trapper Keeper during week one of our sophomore science class, we became good friends. Later, we hosted a "Prom Reject" party and wore our duddiest duds and ended up having a total and complete blast with our friends who also skipped prom. Bob made the mundane hilariously funny, and cracked jokes that made us all laugh until our guts hurt. Bob was one of my happiest highlights from high school. I regret losing touch with him over a misunderstanding. Rest in heavenly peace, dear Bob.
