“ To Mary and family,
Our deepest sympathies go out to you at this sad time. Rob will always be in our fondest of memories. I tell a story of Rob to all our new trainees here at the bus garage. When we came over from one bus company to the other, there was an adjustment to be made with driving cameras. Whenever Rob set off his camera he would look at it and holler a couple of choice words. When he and I would review the clips, we would get a good laugh. He always had a joke or funny story to tell, and bring me wild plums from his "secret" spot. Our clients would ask if he could pick them up all the time. Always a joy to be around. We have and will continue to miss him here.

Our best to you all,
Penny and the MV Family
