“ I just learned of my Nephew's passing on January 6th, 2025. I just loved him as a Son, last time I saw him, he said "Gisele I always have you in my heart!"
Rest in Peace Li'l Tiger! I always loved you! ”

“ I worked with Robert for the past 5 years on many projects. A couple years back we traveled to Chicago together for a marathon few days of renovations. It was great to be with him, went to a blues club, drove through an awful blizzard. I hadn't heard the news until I tried to reach him today to see if he could connect on a new project. So very sad to hear this news. I'm going to miss him. - Kane Loukas, St. Paul
