“ Thinking about you all and know how you feel as we just experienced the loss of our father a little more than a year ago. You are in our prayers and what great thing it was for all of us to enjoy the love and caring of a good father all the years we had ours. Be joyful his suffering is at an end and rejoice in his new life. My dad was probably waiting for him and picked him up in his corsair and they flew off together. In loving memory. Mike

“ *What a wonderful life you lived, Uncle Bob! I will always remember your smile, your laugh, your visits to SD, our visits to your house and how we looked forward to each and every one. My fondest memory was of you and my Dad singing "Good Night Irene" and changing Irene to Eileen! Of how you two would make Gloria and my Mom upset with all your antics, but we loved them! We have a special bond as my parents choose you as my Godfather. What a wonderful time we had with you and Loriane when you were in Hawaii and we met up in Honolulu, showing us around and having dinner. Our lives were all blessed with you in it and you will continue to live in our hearts. To Pat & Jim, Tom & Helen, Bruce & Julie, Marianne & John, Sharon & Tad and Loriane: "Blessed are those who mourn, for they will be comforted." Matthew 5:4*
