“ I would like to say "Thank you Bob" for all the fond memories I have from working and knowing you. I'm sitting here tonight ... relaxing... Bob Holin comes clearly into my brain. Bob was truly, truly a kind and genuine person. I'm sad to have not had the opportunity to see you for so many years before you passed. BUT I look forward to seeing you again if I am lucky enough to make it to Heaven. May God keep you close as I will keep and cherish the fond memories of you. I thank you for the time and for being a part of my life. You have enabled me to shine in my life because you shared your light on me. God bless your family. My thoughts of you shining brightly in heaven will guide all your loved ones and all your friends and people whose lives you touched....to find you once again! Love you Bob please keep shining on me/us ...keep your thoughts coming. Always welcome.

“ I had the good fortune to work with Bob at The Print Center during the 1980s. I saw Bob everyday and his brother-in-law with his cute, baby puppy. I rented with / from Bob when he moved to Spring Lake Park. I had started my own graphic arts business and loved working on many big and small projects for several years. Since it was so many years ago, I may have the city wrong. BUT Bob taught me so much about Printing and people.
