“ I'm sorry to hear about Bob's passing. I know that his family was close to him and loved him very much. While I can't be there to comfort you, know that I'm thinking about all of you.

“ I remember one summer we went trolling on your grandpas pontoon and when we came back after fishing we all gathered around at the table and had some of your grandmas really yummy Boja. That was a really fun time up at your cabin. I believe the next day we encountered a snapping turtle and your grandpa took care of it. That was definitely different never seen someone take care of a turtle before.
