

Robert Allan Kimber

June 23, 1939 - May 10, 2025

Robert (Bob) Allan Kimber, Age 85, of Lino Lakes passed away peacefully on Saturday, May 10, 2025. He was born June 23, 1939 in Milwaukee, WI.

Bob received an Electrical Engineering degree from the Milwaukee School of Engineering in December, 1963. After graduation, he married the love of his life, Nancy. They began their life together in Minneapolis after he took a job with Honeywell. Bob worked for several other firms, including Control Data, Medtronic, and Communications and Special Software (Doradus) before starting his own Engineering consulting firm - CAE Corporation. Engineering was his passion. Before pursuing his degree, his father advised him to "choose a career that you love so much that you would rather do that than play". That's exactly what Bob did.

Bob also enjoyed spending time with family. Multiple trips were made every year to Milwaukee in the station wagon to visit family; and later on, these trips included flights to Albuquerque to visit his parents. Bob also loved the many family camping trips using their Starcraft camper. Cross-country skiing was a family favorite winter-time activity on the weekends. As empty nesters, Bob and his wife, Nancy, had a log cabin built in Northern Minnesota and spent years finishing the inside to make it their own. It was a place of solitude and

rest, surrounded by God's beautiful creation.

Bob was preceded in death by his parents Ralph and Gertrude. He is survived by his loving wife, Nancy, and his sister Judy. He was the cherished father of John (Susanne) and Jim (Sonali). He also leaves behind 5 grandchildren who loved him dearly. Included are Nisha, Marissa, Nikhil, Netra, and Jacob.

A celebration of Bob's life will be conducted on Tuesday, May 20, 2025 at 11:00 a.m. at North Heights Lutheran Church in Roseville. Visitation begins at 10:00 a.m. Lunch will follow the service.
