“ *Bob was my "running mate" for the last 30+ years! We were totally different guys but understood each other so well! We had so much in common that you would think we were brothers. We moved to AZ at the same time. I can't say how much it meant to me to have him here so that we could hang out together. I am going to miss him so much! I won't be able to go anywhere in the southwest without thinking of Bob. We either had been there together or were planning to go there together! I already said to my wife when we had been somewhere "I gotta tell Bobby about this place but then we could plan to go there together. I can't imagine what the future will be like with out my friend Bobby! Love you man!*
