“ Uncle Bob, Kenny, and Kevin picking me up from work New Years Eve. 1999. Pit stop at Joanne & Kenny's to have a debate with Brandy over Red and Blue, than dropping me off at Cheapskate to spin in circles and skate backwards to some Prince. Had some great conversation and laughs. Thanks for the memories!!

“ *Dad, there are so many things I wish I would have done differently. But I know you are watching over me with all the love and support. I am thinking of you with all my love. Till we meet again Daddy, keep watch over the great grandbabies. I love and miss You!*
