“ Lynn,
Jeff and I are at a loss. I so wanted to be there and see you guys. All intentions were to be on the road by Oct. 31., and I endend up getting sick and didn't finish everything to be with you all. NJ is so far away and we so wanted to be with you sooner. Lynn we will be there soon, you 2 are our first and only friends of SD. Bob will guide us to you and protect us on our trip like he said we will be under his wing being kept safe. Our thoughts are with you and all of Bobs family.

“ *Our heart goes out to Lynn and Bob's family. Lynn, we are so glad you two found each other and created such a wonderful home in the hills of South Dakota. We cherish the memories of your friendship and sharing good times during our visits out to your ranch. You two really 'grew' that piece of land and were so inspiring to others to be able to do what you guys did. I am sure when Bob was called home, he left you with so many memories which can stay in your heart forever. We are sorry for your loss and praying for your strength to help you through this trying time.*
