“ I had the fortune of meeting Bob in September of 2000, he was truly a person I will remember and will miss often, along with his "Bob sayings." Thanks Bob for sharing some of your wisdom...your memory will always make me smile!

“ Bob and I are so deeply saddened to hear of Bob's passing. Having had the honor of working with Bob, he showed me the meaning of a true Minnesotan.  
To Jackie, JoAnn, Rick and Don, I truly feel your loss. Bob, RIP.
