“ *Uncle Bob will be greatly missed. He was one of my sponsors at my baptism. Always loved talking sports with him, and playing cards when we had the chance. One memory I have was one winter, we were all visiting my Grandmother and Grandfather in Granada Minnesota. 11 of us in a house, and we got snowed in. For 3 days we could not get out. I remember that when the snow plow finally came through, Bob and the rest of us were right behind. I will always remember that time, and many other moments. He will surely be missed. My prayers to Charlotte and Jason as we mourn with them. May God provide comfort and strength.*

So sorry for the loss of Bob. I worked closely with Bob for many years because Bob supported the mortgage system for the business I managed. Bob worked on that system with me until the retirement of that system and helped with the implementation of our new system until his retirement.

Bob was an absolute joy to work with. He loved a challenge and worked hard to get everything exactly the way you wanted.

I remember his love for his family, poetry and horses.

I also enjoyed his stories including going to Korea for the Olympics.

I'm in Florida now but send my deepest sympathy to his family. To me, Bob was a real gem and I have many fond memories of working with him at IDS/Ameriprise.

My condolences to Char, Jason and all of Bob's family.

Our friendship started at work at IDS some 55 years ago. During this time we became aware that our birth dates were only 2 days apart and formed an ongoing relationship. After Bob's retirement from IDS we enjoyed lunch and a good visit at least once a year.

His gentle soul will be missed.
