Tribute Wall

“ Robert used to have me over to ride mini-bikes when we were kids. He was a motor-head even back then and new how to deal with motors and autos. He was kind of a round and jolly kid with a big smile and laugh back then in the mid 1970's. We had loads of fun in his grandfathers barn next door to his house before the area was so populated. I last saw him a few years back in his garage where he still had the old dusty Honda mini-bikes back in a corner. He was well known as a good mechanic and tow-man. Really sad to hear of his passing - was too young. - Bob Lindahl, Eden Prairie MN
