“ Kathy, you probably don't remember this but your Bob prepared his favorite hot dish recipe and brought it to us to dine on. I recall the dish had cornbread and jalapeño and he was pretty proud of it. My husband, Bob, had helped with some home project and your Bob was pretty appreciative!! Nice man with good sense of humor is what we will remember about him. May your many memories be available to you always.

“ Soon after we moved into the neighborhood Bob and Kathy were at our house for dinner. But unfortunately I burned the dinner! I will always feel grateful to Bob for how comfortable he made me feel in the situation.

Thanks Bob!

And I love the way he would affectionately call Kathy "Peanut"
