

Robert G. "Bud" Ondich

April 10, 1935 - June 21, 2025

Robert G. "Bud" Ondich, 90, of St. Louis Park, MN, died on June 21, 2025.

He was preceded in death by his wife of 67 years, Sharon Wolfe Ondich. He is survived by his children, Jody and Jeff Ondich and their spouses Rick Sailstad and Mary Dunnewold; grandchildren Elizabeth McCoy, Sam Dunnewold, John Ondich-Batson, and Elena Ondich; great-granddaughters Adara Velcoff and Eryn McCoy; brother Kingsley; and a 22-year-old cat named Archie.

Bud spent his career as a partner at the printing firm Associated Lithographers, managing the production of all manner of printing projects, from simple wedding invitations to beautiful, high-quality brochures and booklets. But for all that, he would rather have been golfing. Bud learned to golf during high school when he got a job at the Westwood Hills Golf Course in St. Louis Park, and he continued golfing for the rest of his life.

Bud loved learning, and was a particularly avid reader of anything about World War II. He also spent years singing in choirs, adding depth to their bass sections, and as a soloist at many weddings and funerals.

Bud and Sharon loved traveling together, most frequently to San Diego. But really, any day they could just hang out together and enjoy the quiet was a good day.

A private memorial celebration will be held later this summer.

Memorials can be sent to the Heifer Project, Doctors Without Borders, or Planned Parenthood.
