Bob served in the United States Navy as an aircraft mechanic. He was stationed at NAS Kingsville and enjoyed his time serving his country. His greatest passion (hobby) was building. He built his first boat as an early teenager. This passion grew as he built 2 additional boats, 7+ aircraft, and a replica 1953 MG TD and numerous model aircraft over the years. He was a true craftsman. His passion for building also included building relationships as Bob was very social. He had friends and acquaintances all over the Twin

Cities and throughout the state. Rarely did he go out and not see someone he knew. He dearly loved his Lord, family and friends and will be greatly missed.
