

Robert James Schultz M.D.

January 14, 2014

Schultz, Robert James, MD age 85, of Edina, MN, passed away peacefully in his home, January 14, 2014, surrounded by family, as he desired. Robert was born in Moose Lake, MN to Oscar and Edith Schultz on Oct. 18, 1928. He went to school in Moose Lake, and then attended the University of Minnesota for undergraduate work and for Medical School, graduating in 1956. Robert married Sally Dahl Mathieu on Oct. 17, 1949. Robert is survived by his spouse, Sally; son, Scott (Martha); daughter, Julie Sullivan; grandchildren, Pierce, Nichole, Sarah. Robert was a devoted husband and father. A dedicated physician, beloved by his patients. Robert was a true gentleman and scholar. He loved to read and travel. Robert will be missed by all he touched. Please join us for a celebration of Robert's life on Friday, Jan. 24 at 1 pm, Christ Presbyterian Church, Edina. In lieu of flowers, memorials may be made to the Pancreatic Cancer Action Network, North Memorial Hospice or Mercy Hospital & Health Care Center Foundation of Moose Lake, MN.

Tribute Wall

JB

“*Dr. Schultz was my physician for about 35 years. He was always patient and caring, and ended every visit with "call me if you have any questions", and with a kind word. I've said so many times that they just don't make doctors like my Dr. Schultz anymore. I was so blessed to have had this wonderful, intelligent man as my physician, and he wil always be remembered with great fondness.*
