

Rob Sell

April 29, 1967 - August 13, 2024

Robert Roy "Rob" Sell, 57, passed away on August 13, 2024, in Rosemount, MN. Robert grew up in Rosemount and is a part of the graduating class of 1985. He swam, played baseball, basketball, football, ran track and wrestled. Though, he preferred to get his work done in the weight room. In his time after high school, he attended some community college but found himself developing a passion for being a colorist/hair stylist. In his time as a hairstylist, he led training, had more than 29 certifications and eventually worked his way to the ultimate goal of owning his own salon. Rob was also super appreciative to all of his loyal clients and coworkers along the way. Rob notoriously loved his REO Speedwagon, Kiss, Simon and Garfunkel, Prince, Billy Idol AND Joel. He ensured his sons shared the same taste. Rob, also, was an avid lover of the outdoors, whether it would be camping, disc golf, cooking in the park, patio dining, or yard games, he always made sure to share his time and love with his family and friends. These passions he shared with his sons, whom he loved ferociously. You could always count on him for a laugh, endless friendship, a sturdy shoulder to cry on and the warmest hug you can imagine. A goofy brother, loyal son, and a joyous and loving father. He is preceded in death by his Father, Elroy. Survived by his sons, Connor, Gabriel and Quinn; Mother, Norma; sisters, Janell (Raymond) Crisp, Nadine (Monte) Meyer, Kim (Dennis) Brown, Tammy (Glenn) Lisowy and many loving nieces, nephews and extended family. “ I am so saddened to hear of this great loss. Rob did my hair for over 27 years. Over all those years, spending hundreds of hours in his chair, I can honestly say he was one of the kindest, most sincere, and genuine souls I ever knew. I will greatly miss his friendship.

My heart goes out to his sons and the rest of his family.

*Sincerely,
Shannon Soule*

“ My husband, son, and I knew Rob for a dozen years, all visiting him at different times. When I'd go in, he'd ask about something that my husband had just mentioned or that my son told him about - he just didn't miss a beat. And he was incredibly supportive and encouraging of our son, whom he watched grow from a fifth grader to a college freshman.

We are all incredibly saddened by Rob's passing. Of course, our loss is nothing compared to that of his sons, mother, other relatives, and longtime friends. To them, we send our condolences.

Rob, you were such a gentle, caring person. Thank you for making an impact on all our lives. We will miss you!

“ I was so sorry to hear of Rob’s passing. I met him only recently when I had my hair done on August 3. A friend of mine who was a longtime client of Rob’s recommended him to me and I really hit it off with him and planned to continue to see him.

Sincere condolences on your loss. I hope you will find some comfort in memories of good times you shared.

Sending warmth and comforting energy out to you.

“ Rob was a great guy. So sorry for his family's loss. He did ferociously love his sons. He was my hair expert for 15 years or more, and my husband, Jerry, also went to him for haircuts. He was pretty cognizant of why people acted as they did, and his input caused me look differently at some situations in my life. We laughed a lot, too, and I looked forward to appointments with him. Jerry and our will miss our time with him. Jane H. and Jerry S.

“ Rob was a great guy, and we sure will miss him! In addition to being an outstanding stylist (we followed him from shop to shop over the course of more than 25 years) we know he was a generous, loving father and devoted son. We often shared family news, and he was so proud of each of his sons. He also had a strong sense of ethics. A clear sense of right and wrong and choosing to do the right thing over an easier path. We will miss our conversations with him that continued long after our appointments were done. It was such a gift to spend time with him. - Debbie G. and Jim M.

“ Rob colored my hair for the last 27 years it was always so much fun going to him we would talk about this boys and the concerts we had gone too. He always talked about going to Little River Band. But sad to say he never got to go too. My thoughts and prayers are with his family and friends. Best guy ever.

“ Rob got me into Pink Floyd (The Wall). The movie Warriors. We used to go tadpole hunting in their pond. We went to camp Omega together. He was a bigger than life kinda guy. Figuratively and literally. He was a lineman for Rosemount football and very popular. He had a huge laugh and mullet.
