“ So sorry for your loss. Age 61 is far too young to lose a loved one. It was not meant to be that anyone would have their life cut short like this. The original promise of the creator was for mankind to enjoy life eternal on the earth in perfection.

Jesus taught us to pray for the kingdom which will return the paradise conditions to the earth as we request when we pray the lords prayer, (Matthew 6:9-10) asking for Gods will to be done on earth.

At that time the promised resurrection (John 5: 28-29), will take place and we will be reunited with our dear loved ones.

In the mean time I pray that the hope of the fulfillment of that promise will sustain you during this period of grief as it has done for me with the loss of my parents.
