“ Solberg Family, I just happen to look at the obituaries and found Bob. I would of been at the service if I knew that he has passed. I am very happy that I got to visit just before he went to Laurel. I loved both of them and now they will be missed deeply. My prayer and thoughts are with all of you. Keep your family close and loved. Kathy Solberg

“ Our thoughts and prayer go out to the family. Bob was my uncle he was a special man, my mother (Doris) has lost her last sibling (brother) she is the only one left. Denny and Patty brought Bob as a surprise to be there for my mother's 80th birthday last yr to see the look on her face was priceless! We all had a wonderful time we won't forget! Cherish your family while you still have them. That was the last time Dennis and I saw him

“ To Bob's family, I wanted to extend my sympathy to all of you. You don't know me, but I volunteer at North Ridge. I first met Bob and Laurel when they were in the 900 unit. My friends and I served cake at the monthly birthday parties. I also play piano most Sundays at North Ridge. Bob and Laurel would also be at church. They were the cutest couple and were always holding hands. After Laurel died, I would still see Bob at church. I talked to him a lot before the service started and we joked around. He was the sweetest man! I always looked for him when I got there. I was gone for part of December and all of January. Before I left, I told him that I would see him in Feb. Unfortunately, that did not happen. I was so sad when I saw his obituary in the paper. I just want you to know that I will really miss him! He was one of my favorite residents at North Ridge! You have my deepest sympathy. Love, Eldean Johnson
