“ Rob was my youngest brother and 17 years younger than me. I took care of him at night when he came home from the hospital because Mom needed to build up her strength after his birth. I moved to Norway in 1972 but we spent our summers together for many years, either in Norway or in Minnesota. I found this picture of Rob hiking in the Norwegian mountains wearing the sweater I knitted for him. He is with my husband and son. He loved to be in Norway and loved to play games with my three children. He was a devoted son and cared for our mother so she could stay at home until she passed away. Peace be with you, Rob. Julie, Jørn and children
