“ He was born Robert, but we called him Bob: “Uncle Bob” to be exact, A gentle spirit he was in fact. He teased and was always full of puns, When we visited it was so much fun! A life that brought us happiness and joy, It is said he was full of fun & mischief as a boy! He'd take us fishing, to ball games, and tell jokes, Those wonderful memories that can't be revoked! He was sweet, and had such a sensitive soul! His stories will continue, and will be fondly retold! His struggle and passing grips at the heartstrings, But with thoughts of his life -warmth and love it brings! You have breathed your last breath, sadly it's true, But tucked away, are those special memories of you! You knew we loved you always from the start! Thank you for enriching our lives & blessing our hearts! With loving memory, Em
