“ Occasionally I drove Bob to get his chemo treatments at the cancer center in St. Paul. He always had such a positive attitude and I never heard a single complaint from him. The last time I drove him to his appointment, we reminisced about the many times he volunteered at Catholic Alumni events in the past, such as the annual Christmas party for those with Down's Syndrome. I'm so sorry I cannot attend his wake and funeral Thursday because I have to teach class. You are all in my prayers. - Kathy Huberty (Bloomington, MN)

“ *Bob was a member of our parish St Helena. He was there for the Baptism and First Holy Communion of our children. He never missed one of our parties unless he was sick or we had bad weather. He was chosen to pray for our son who is making his Confirmation and I know he is praying still for him from above. He always was there to take pictures or show them. He had such a wonderful heart. His humor and spirit will be missed by all. May God Bless You with wonderful memories of your loved one Bob. Love, Mark Karen Tim and Ben Kemp*

“ I knew Bob from De La Salle, the class of 1962. We had the same home room (216) freshman year. As all would agree, Bob was very quiet and reserved. I stayed in contact with him every few years to see how life was and Bob always had good things to share. A good man and a faith filled man who cared for others and showed it. My classmates and my condolences to family and friends. He lives on in the promise of eternal life filled with joy and the family of God.

“ Bob...what a fine feller with a wonderful work ethic! I worked with him 31 1/2 years..I remember the first few months he worked with me..I could not get him to say hello to me no matter what I did! Once he finally figured out I was NOT going to bite...we became good buddies! Since I have retired, I have not seen him but once..at a retirement party for a friend a few years ago..so it had been nine years since we worked together...BUT he will always have a place in my heart..he always remembered me..and for that I am so grateful. Friends forever even if we didn't visit outside of work. God bless his family and friends. He was loved and appreciated.
