“ *Though the ones we love are gone, they will live on in our hearts. Find comfort in the Bible where God says he will soon bring about a time on the earth when death will be no more shown at Revelation chapter twenty-one verses three and four and all those who have died will be brought back to life right here on the earth as written at Isaiah chapter twenty-six verse nineteen.*

“ *Please accept my deepest sympathies for your loss. I worked with Bob at Blue Cross and he was a true gentleman. Also, saw him through the years at agent meetings. He always had a warm greeting and was always interested in what you were doing! He was the best. Sincerely, Judy Lindstrom, Woodbury*

“ *Robert Ulsaker was one of the finest agents I've worked with throughout my career. I first met him over 3 decades ago and always enjoyed speaking with him, role-playing with him and asking him advice. Now he is without pain in a place that is certainly meant for him. For me he created heaven on earth, and now he is in that wonderful heaven!*
