“ *My sincere condolences to Lois, Bob, Kathy and Jim. Bob was a main reason for me becoming a pharmacist. I never saw a man who could connect and interact with people the way Bob could. People would come from the clinic or hospital to North Drug feeling down in the dumps or sick and Bob and his staff would take care of them and they always left better then when they arrived. He had an amazing way with people. He lifted them up! I am so blessed to have worked with him for all of those years. God bless you Bob and the entire Zenk family. Jim Hass*
