“ I worked with Bobbi many years at Edina Realty and I remember her smiling face just like the one on this website. I am so sorry to hear of her passing and I hope the family can find comfort in all the wonderful memories you must have had with this wonderful lady.

“ I remember the newlywed couple moving into the home next door to our family in Coon Rapids, MN. We were a lively bunch but the Volkmeiers took that in stride. My favorite memories include Mrs. Volkmeier teaching me how to bake Apple Pie, going with their family to cut down a Christmas tree, setting up the Christmas tree decorating it and wrapping gifts for Todd and Dawn. My heart is forever grateful for these memories.

“ *In these times, remember that here on earth is but one part of our journey. For God created us long before our physical awareness. Saying hello is always easier than saying goodbye but we can only be grateful when we were given the blessing of saying "hello" to someone wonderful in the first place and she is someone wonderful.*
