“ As a fellow Hennepin County employee Roberto was always kind to me. He always offered support or help even when it was not his responsibility to do so. He always offered a smile, pat on the back or kind words of support. I knew him to put clients first and genuinely cared about those receiving services as much as he cared about those co-workers & team member providing help. I am sad to hear he left us and was gone so early in his life I knew him as a good, kind, compassionate soul. Peace, Roberto.
