“ One Christmas when it was all over and that sadness that follows was flooding my heart a package came in the mail. It contained an Eagle for Denny, a Dove for me, a snowman dish towel and an Innkeeper's key with it's story. She knew what we needed and just when we needed it . Each of these has a special place still to this Day and always will until they are passed on to another in Her Honor. The Eagle is at Denny's grave site 💕 Thank you Robin Lee Duclos for your Love and for being a part of our Lives. Carol Lee Duclos

“ I forever will be thankful for the 43 years of friendship. Ill never forget the bond we shared and how Robin always looked at me as family. No words can express my deepest sympathy for her family! But I know how proud she was of each of them and how much she loved each one.  
My prayers will always be with each of you, as I too will forever feel the loss!  
God bless!
