“ *Most of my memories of Rocky involve shift changes at Beef O' Brady's. Short little exchanges of our lives. I remember one exchange after a particularly rough switch that was mostly a series of grunts. Coming from a long line of "when I'm frustrated, I grunt" people, I said something offhand and sarcastic, don't even remember what it was, but it made us both laugh. I'll always remember that laugh. Put in a good word for my brothers (you remember that story, I'm not sure my prayers will be enough...lol) Missing you my friend!*
