“ *Rod or as I called him<Hot Rod> would always respond by laughing or making some comment when I called him that. What a good guy and his kindness to his family and extended family here in Colorado. We will not forget him and the times we spent together and will miss his laughter and comments. We do pray for his family that they would feel Gods comforting and know His peace in their loss---With Love from Mel & Dawn Williamson*

Roddie will be often thought about for his jest and love for life! Even in his times of pain he always had a smile on his face and a respectful attitude. He was definitely not a complainer. Roddie was a great friend and his Love for his Creator was and will continue to be an inspiration for many of us. I pray that i can be that mindful! We look forward to the joining of him when we get called home. May the family of Roddie find peace and comfort and understanding that only comes from our Lord and Savior. He (Roddie) would always end a visit with see ya! Never good bye! So I say see ya my friend. Mary Grace Tamburelli.

“ Randi and I are so glad that we got matching tattoos with our dad, we had fun when we got them and now have a permanent reminder of what our dad said: “it’s not goodbye, it’s see-ya” ❤️
