“ check out the business zones for your area. in the u.s. the peploe who know are in the mayor's office of each city.i can't say anything more.please don't try to establish a nursing home to retaliate against the funeral home thing,that would really spook you parents out.

“ Dear Lucille, Lynnette, Marlys and Greg,
I just saw the obituary today for Rodney. I want to express my sympathy to all of you. Unfortunately, I am unable to attend the funeral tomorrow to express my condolences in person. I hope I will run into Lucille and Lynnette at Minnesota Quilt shows in the future. I will be thinking of all of you tomorrow. God bless.
