

## Rodney Morton Revsbech D.V.M.

December 8, 2016

Revsbech, Rodney Morton, D.V.M age 89 of Minnetonka passed away on Dec. 8, 2016. Survived by cousin, Peter (Eunice) Revsbech; second cousins; Debbie (Steven) Nelson-Scheffler and their children, Brandon and Amanda; Vicki (Tim) Liestman and their children, Ben and Katie; Dan (Jane) Revsbech and their children, Andy, Tony, and Lauren; dear friends, Jean Pleitgen and Brian Maghan; and many extended family. Rodney was a world traveler who considered the outdoors his Cathedral. He also was very proud of his Danish background. He enjoyed his rustic deer shack in Itasca County and the many trips to Eagle, Colorado for elk hunting with Billy. He loved fishing, gardening at his home in Minnetonka, hiking in the woods, bird watching and tapping trees for maple syrup. Socializing with friends, listening to music and old time dances gave him great pleasure. Whenever music played you would see him tapping his foot. He spent a lot of time at the University of Minnesota earning a degree in Conservation Management and Doctor of Veterinary Medicine. In his younger days he tested cattle on the farms in Minnesota. He had great respect for all the farmers and enjoyed their company. Except for the last couple of years he never missed attending the State Fair where you could always find him trading information with a representative at the DNR building. Memorial Service 11 AM on Wednesday Dec. 21, 2016 at Washburn-McReavy Dawn Valley Chapel with visitation one hour prior. Private interment Dawn Valley Memorial Park. Memorials preferred to the MN DNR or U of MN Veterinary Medicine. Washburn-McReavy.com Dawn Valley Chapel 952-941-

7686 9940 Bush Lake Rd., Bloomington
