“ Kay and I met Roger at Park Avenue Methodist Church and were in a Koinonia group with him there. Enjoyed many years of Bible Study, sharing, and praying together. Roger shared so many stories of people he'd led to the Lord. He was truly a passionate evangelist. We all envied the huge fish he always caught and the multi point bucks he took down! I enjoyed the many deer hunting trips at the Wolcyn Tree Farm with him.
We treasured his friendship and wisdom.

“ Gaylene and I were in a prayer & share group for many years with Roger. Roger was always ready for a chance to share Jesus with others. Many times he shared that he had led someone to Jesus. Roger liked camping. Gaylene & I camped out in Roger's new tent several years ago in -15 degree winter weather. It was actually comfortable with the right gear. Gaylene & I also camped up north near Lake Superior with Roger one spring.
Roger also liked to ice fish. Jim & Roger never really caught many fish then, but they enjoyed yakking with each other.
Roger also liked roller skating. Gaylene & I used to go once a week to Cheapskate to roller skate.
We have many good memories of Roger and later of Kathy after they were married. We'll miss him. He was a good friend and brother.

Kathy, Roger was never shy about sharing his faith and led my brother to Jesus. I remember the new years eve when he got me to eat bear stew! Al considered him a great friend. I pray the peace of Christ will guide you through the next season of your life. God bless you and your family.
