“ Roger will be missed dearly. He was my 2nd cousin and the only family from my mom's side I had left. I'm still in shock, because I had just spoken to him 3 days before. He loved his dogs, and loved taking pictures. He even came down to take my wedding pictures. He was loved by many! He was a strong man. He survived 6 cancers. But this 7th one was just too much for him. The last words to me was I love you. I will remember his voice with admiration.
